Lakeland Industries Announces Upcoming Investor Conferences

RONKONKOMA, NY – November 2, 2017 -- Lakeland Industries, Inc. (NASDAQ: LAKE), a leading global manufacturer of protective clothing for industry, healthcare and to first responders on the federal, state and local levels, today announced the following upcoming investor conferences:

Craig-Hallum 8th Annual Alpha Select Conference, November 16, 2017

Lakeland will be participating in Craig-Hallum's Alpha Select conference on November 16, 2017 in New York City at the Sheraton New York Times Square Hotel. One-on-one meetings with institutional investment firms will be scheduled throughout the day.

LD Micro 10th Annual Main Event, December 5, 2017

Lakeland will be participating in LD Micro's Main Event conference on December 5, 2017 in Los Angeles at the Luxe Sunset Boulevard Hotel. In addition to a group presentation scheduled for 10:00 am Pacific Time, one-on-one meetings with institutional investment firms will be scheduled throughout the day.

Roth Capital 6th Annual Utah Corporate Access Event, December 6-8, 2017

Lakeland will be participating in Roth Capital's 6th Annual Utah Active & Healthy Lifestyle and Leisure Corporate Access Event from December 6-8, 2017 in Park City, Utah. One-on-one meetings with institutional investment firms and other networking activities will be scheduled throughout the event.

The investor presentation used at the conferences will be posted in the investor relations section of the Company's website on the day of each event.

About Lakeland Industries, Inc.:

Lakeland Industries, Inc. (NASDAQ: LAKE) manufactures and sells a comprehensive line of safety garments and accessories for the industrial protective clothing market. The Company's products are sold by a direct sales force and through independent sales representatives to a network of over 1,000 safety and mill supply distributors. These distributors in turn supply end user industrial customers such as chemical/petrochemical, automobile, steel, glass, construction, smelting, janitorial, pharmaceutical and high technology electronics manufacturers, as well as hospitals and laboratories. In addition, Lakeland supplies federal, state, and local government agencies, fire and police departments, airport

crash rescue units, the Department of Defense, the Centers for Disease Control and Prevention, and many other federal and state agencies.
